MEMORANDUM FOR THE RECORD:

SUBJECT: CSHP- 2.149 - History of the FI Staff, (to 1960)
Status of --

1. This particular collection (one envelope with approximately 1" of material) appears to have been "almost a finished history", as each Chapter has been sourced and footnoted; some editing has obviously been done -- however, it needs more; no index has been made; it has not been paginated nor has it been classified; however, it has been punched for a spiral binder--such as is used on History Staff finished histories.

2. Contents of this unfinished history are five Chapters totaling almost 100 pages that cover the following:

Chapter I - Prehistory, 1942-August 1952
Chapter II A - Eric Timm, 1 Aug 1952-17 Jan 1954
Chapter II B - [redacted] 18 Jan 1954-8 Jan 1957
Chapter II C - Thomas H. Karamessines, 9 Jan 1957-
8 May 1957
Chapter II D - W. Lloyd George, 9 May 1957-16 April 1967

3. The History Staff has no record of any holdings of source material associated with this history.
